

## FILTERED LAMPS FOR FLUORESCENCE

The Vilber Lourmat lamps are provided in 254, 312, 365 nm or combined. Our unique filter minimizes white light interference allowing you to easily detect weak fluorescence. The filter has unlimited life expectancy for 312 and 365nm (3000 hours for 254 nm).

## KEY FEATURES

- UV Master® technology with single or dual wavelength
- Long life filter and high UV output
- Ondulex® reflector & aluminium housing for increased durability
- Easy to handle; stand or holder to add versatility

## SPECIFICATIONS

| Models    | Tubes (Watt) | Wavelength (nm) | Intensity at 15cm (μW/cm <sup>2</sup> ) |
|-----------|--------------|-----------------|---|
| VL-215.L  | 2 x 15-watt  | 365             | 2 300                                   |
| VL-215.C  | 2 x 15-watt  | 254             | 1 780                                   |
| VL-215.M  | 2 x 15-watt  | 312             | 3 000                                   |
| VL-215.LC | 1 x 15-watt  | 365             | 1 350                                   |
|           | 1 x 15-watt  | 254             | 1 100                                   |
| VL-215.LM | 1 x 15-watt  | 365             | 1 350                                   |
|           | 1 x 15-watt  | 312             | 1 800                                   |
| VL-215.MC | 1 x 15-watt  | 312             | 1 800                                   |
|           | 1 x 15-watt  | 254             | 930                                     |
| VL-115.L  | 1 x 15-watt  | 365             | 1 100                                   |
| VL-115.C  | 1 x 15-watt  | 254             | 1 000                                   |
| VL-115.M  | 1 x 15-watt  | 312             | 1 000                                   |
| VL-6.L    | 1 x 6-watt   | 365             | 700                                     |
| VL-6.C    | 1 x 6-watt   | 254             | 710                                     |
| VL-6.M    | 1 x 6-watt   | 312             | 680                                     |
| VL-6.LC   | 1 x 6-watt   | 365             | 610                                     |
|           | 1 x 6-watt   | 254             | 400                                     |
| VL-6.LM   | 1 x 6-watt   | 365             | 610                                     |
|           | 1 x 6-watt   | 312             | 580                                     |
| VL-6.MC   | 1 x 6-watt   | 312             | 580                                     |
|           | 1 x 6-watt   | 254             | 400                                     |
